

Letter of Recommendation

Atamjon Rakhimov

11 September 2026

I am writing to recommend Atamjon Rakhimov for employment. I am a Middle Software Engineer at Nova Renessans. Through my interactions with Atamjon, I have observed his ability to learn quickly, adapt to new situations, communicate effectively, and approach his responsibilities with care.

Atamjon learns new material well and readily understands unfamiliar concepts. He is receptive to explanations and adjusts quickly to new expectations. I believe these qualities will help him acquire the knowledge and skills required in a new role.

He is approachable and communicates openly with others. His friendly manner enables him to establish positive relationships and integrate into new groups. I consider his interpersonal skills a valuable strength for working with colleagues and becoming part of a team.

Atamjon also demonstrates a strong sense of responsibility. He takes the tasks entrusted to him seriously and approaches his commitments conscientiously. His attitude gives me confidence that he will bring care and accountability to his work.

Based on these observations, I recommend Atamjon for employment. His ability to learn, adaptability, and responsible approach make him a promising candidate. I believe he can become a dependable member of a team and make a positive contribution to an organization.

Yours sincerely,
